**There should be "laws" to prevent the incompetent fitting of glasses!**

You are risking your most valuable possession when you allow Opticians or "over-the-counter" eyeglass merchants to fit glasses to your eyes.

The only one properly fitted by study and experience to make a complete examination of the eyes, and properly prescribe glasses, is a Medical Doctor—an Oculist—and if you permit yourself to be misled by high-sounding titles you will have no one but yourself to blame if harm results.

Harris Glasses, whether they cost \$2.00, \$3.00 or \$5.00, are guaranteed to give you complete, lasting satisfaction.

## MISSING AND SICK, VOGEL MAY FACE CONTEMPT CHARGE

Fails to Appear Before Commissioner and Sworn Statement Is Demanded.

Frank E. Vogel will be adjudged guilty of contempt if he does not appear before United States Commissioner Gilchrist next Monday afternoon or send in a sworn statement showing that he is too ill to appear, and that he was too ill to appear today, S. F. Hartman of Stanchfield & Levy, asserted today that he does not know where Vogel is, but that he is ill.

Henry Siegel resumed the testimony which was broken off one week ago when he was arrested. He asserted that none of the \$150,000 personal loan he had obtained from his private bank was left.

Siegel admitted he holds four insurance policies, totalling \$45,000. All are paid up and are in favor of his daughter, Julia F. Siegel Cavendish. About five years ago he borrowed \$5,000 on one of the policies and has never repaid the loan, he continued. He did not remember why he needed the money, but knew it was not for the stores, for he was then drawing from \$40,000 to \$50,000 a year from the stores.

The agreement between Vogel and Siegel as to the opening of the private bank was read. Then Siegel asserted that every dollar he had ever taken from the bank for personal use was accounted for in the books now in possession of the receivers. Siegel denied that his company owned any property in Europe, but did not know if the bank sent over large amounts in 1913.

On motion of Attorney William H.

Bonyne, for the depositors, the hearing was adjourned until next Thursday.

## BOARD APPROVES PLAN TO VOTE IN SCHOOLS

Report Says More Orderly Elections Will Follow Change of Polling Places.

The Board of Estimate this afternoon approved the bill designed to permit Boards of Elections to use schools and other public buildings for voting and registry purposes. The action of the board was based on a report submitted by President McAneny of the Board of Aldermen.

Mr. McAneny said that where the experiment had been tried it had worked with great success. One of the first results, he explained, was more orderly elections. Voters, he said, generally approved of the change. It made greater the separation of the saloon and the polling place.

## LOCKED PAWNBROKER IN AND LOOTED WINDOW

Bold Thieves in the Bowery Make a Haul of \$2,000 in Jewelry.

David Fry, pawnbroker of No. 275 Bowery, has often reported robberies to the police, but never with greater indignation than this afternoon. At quarter past 3 o'clock, two men equipped with an iron bar, chain and padlock, slipped up to his door, slammed it, chained the doorknob and imprisoned Fry and his six clerks.

The robbers then smashed the show window with a brick, scooped out two double handfuls of jewels, estimated as worth \$2,000 and lost themselves in the crowd at the Houston street crossing. The clerks and Fry were ten minutes getting out to give the alarm.

### Introducing London's Idea in "Flapper" Apparel
